The "Card" means any credit card issued to you or those designated by you under the terms of this Agreement. "Use of the Card" means any procedure used by you, or someone authorized by you, to make a purchase or an advance whether or not the purchase or advance is evidenced by a signed written document. "Unauthorized use" means the use of your Card by a person, other than you, who does not have actual, implied, or apparent authority for such use, and from which you receive no benefit. In this Agreement, any plural terms shall be deemed singular and any singular terms shall be deemed plural when context and construction so require.

EXTENSION OF CREDIT: If your application is approved, we may, at our discretion, establish an Account in your name and cause one or more Cards to be issued to you or those designated by you. In such event, you authorize us to pay for your Account all items reflecting credit purchases, balance transfers, and cash advances obtained through use of the Card.

JOINT APPLICANT LIABILITY: If this Agreement is executed by more than one person, each of you shall be jointly and individually liable to us for all charges made to the Account, including applicable fees. In addition, you agree that each of you designates the other as agent for the purpose of making purchases extended under this Agreement and each use of your Account shall be an extension of credit to all. Notice to one of you shall constitute notice to all. Any joint cardholder may remove him/herself from responsibility for future purchases at any time by notifying us in writing. However, removal from the Account does not release you from any liability already incurred.

OTHERS USING YOUR ACCOUNT: If you allow anyone else to use your Card, you will be liable for all credit extended to such persons. You promise to pay for all purchases, balance transfers, and cash advances made by anyone whom you authorize to use your Card, whether or not you notify us that he or she will be using it. If someone else is authorized to use your Card and you want to end that person's privilege, you must notify us in writing, and if he or she has a Card, you must return the Card with your written notice for it to be effective.

CREDIT LIMITS: You promise that payments we make for your Account resulting from use of the Card will at no time cause the outstanding balance of your Account to exceed your credit limit as established by us or as adjusted from time to time at our discretion. Fifty percent of the total credit limit is available for cash advance.

PROMISE TO PAY: You promise to pay us in U.S. dollars for (a) all purchases, cash advances, and balance transfers made by you or anyone whom you authorize to use the Card or Account; (b) **FINANCE CHARGES** and other charges or fees; (c) collection costs and attorney's fees as permitted by applicable law, and any costs incurred in the recovery of the Card; and (d) credit in excess of your credit limit that we may extend to you. At the end of each monthly billing cycle for which you have a balance on your Account, you will be furnished with a periodic statement showing (i) the "Previous Balance" (the outstanding balance in the Account at the beginning of the billing cycle), (ii) the amount of all cash advances, purchases, balance transfers, Late Charges, Annual Fees, **FINANCE CHARGES**, and other charges or fees posted to your Account during the billing cycle, (iii) the amount of all payments and credits posted to your Account during the billing cycle, and (iv) the "New Balance" which is the sum of (i) and (ii) minus (iii).

You agree to pay on or before the "Payment Due Date" shown on the monthly periodic statement the entire New Balance or a Minimum Payment equal to an amount which is at least 3% of the New Balance or \$10.00, whichever is greater, plus any amount in excess of the credit limit established by us, any past due minimum payments and any Late Fee's and/or Return Payment Fee's. If the New Balance is \$10.00 or less, you agree to pay it in full. You may make extra payments in advance of the due date without a penalty, and you may repay any funds advanced, credit extended, or amount outstanding at any time without a penalty for early payment. Regardless of the amount of any extra payment during a given month, a monthly payment will be required the following month if a balance remains in your Account.

COST OF CREDIT: You will pay a **FINANCE CHARGE** for all advances made against your Account. **FINANCE CHARGES** for cash advances begin to accrue on the date of the advance. New purchases and balance transfers will not incur a **FINANCE CHARGE** on the date they are posted to your Account if you have paid the Account in full by the Payment Due Date shown on your previous monthly statement, or if there was no previous balance. If you skip a payment, your **FINANCE CHARGES** will continue to accrue.

STANDARD RATES: Your standard daily periodic rates for purchases and balance transfers are variable rates as shown in the additional disclosure included with this agreement.

Your standard daily periodic rates for cash advances is a variable rate as shown in the additional disclosure included with this agreement.

The periodic rate used to compute the **FINANCE CHARGE** on purchases and balance transfers is based on an index (the "Index"), which is the Prime Rate as published in the Money Rates section of *The Wall Street Journal* on the last business day of the month and is subject to change monthly on the first day of each month. Any change in the Index will be effective on the first day of the billing cycle following the date of the change. An increase in the Index will result in an increase in the periodic rate, which in turn, may result in higher payments.

The **FINANCE CHARGE for purchases and balance transfers** is figured by applying the periodic rate to the "Balance Subject to **FINANCE CHARGE**" which is the "Average Daily Balance" of your Account, including current transactions. The Average Daily Balance is arrived at by taking the beginning balance of your Account each day, and unless you pay your Account in full by the Payment Due Date shown on the previous monthly statement or there is no previous balance, adding in new purchases, and subtracting any payments or credits and unpaid **FINANCE CHARGE**. This gives us the daily balance. The daily balances for the billing cycle are then added together and divided by the number of days in the billing cycle. The result is the Average Daily Balance. The **FINANCE CHARGE** is determined by multiplying the Average Daily Balance by the number of days in the billing cycle and applying the periodic rate to the product.

The **FINANCE CHARGE for cash advances** is figured by applying the periodic rate to the "Balance Subject to **FINANCE CHARGE**" which is the "Average Daily Balance" of your Account, including current transactions. The Average Daily Balance is arrived at by taking the beginning balance of your Account each day, adding in any new cash advances, and subtracting any payments or credits and unpaid **FINANCE CHARGE**. This gives us the daily balance. The daily balances for the billing cycle are then added together and divided by the number of days in the billing cycle. The result is the Average Daily Balance. The **FINANCE CHARGE** is determined by multiplying the Average Daily Balance by the number of days in the billing cycle and applying the periodic rate to the product.

MINIMUM FINANCE CHARGE: There is a minimum FINANCE CHARGE of \$1.00 for any billing cycle in which a FINANCE CHARGE is due.

No additional **FINANCE CHARGES** will be imposed on new purchases shown on your statement if the New Balance shown on the statement is paid in full by the Payment Due Date reflected on the statement. The Payment Due Date is not less than 21 days from the billing cycle closing date shown on your statement.

All payments made on your Account at the address designated for payment on the monthly periodic statement will be credited to your Account on the date of receipt. If the date of receipt is not a business day, your payment will be credited on the first business day following receipt. All payments on your Account will be applied first to collection costs, then to any **FINANCE CHARGE** and other fees due, and then to the unpaid principal balance. Interest paid or agreed to be paid shall not exceed the maximum amount permissible under applicable law, and in any contingency whatsoever, if we shall receive anything of value deemed interest under applicable law which would exceed the maximum amount of interest permissible under applicable law, the excessive interest shall be applied to the reduction of the unpaid principal amount or refunded to you.

LATE FEE: If a payment is 5 days or more past due, you will be charged a late fee that is tiered. The late fee is \$5 on balances up to \$100; \$15 on balances of \$100 - \$250 and \$25 on balances over \$250.

ACCELERATION: If you are in default, without notice to you we may accelerate your debt and call any amounts you owe immediately due and payable, plus **FINANCE CHARGES** which shall continue to accrue until the entire amount is paid. You expressly waive any right to notice of our intention to accelerate and notice that your debt has been accelerated.

TERMINATION AND CHANGES: You may terminate this Agreement, by written notice, as to future advances at any time. We can terminate this Agreement at any time subject to such notice as may be required by applicable law. Termination by either party shall not affect your obligation to repay any payments made for your Account resulting from use of the Card as well as **FINANCE CHARGES** and other related charges. We may change the terms of this Agreement, including the periodic rate, at any time subject to such notice as may be required by applicable law. If you use your Card or Account to make a purchase or cash advance or balance transfer after having been given notice of a change in terms, you agree that the existing balance in your Account at the time of that use will be subject to the new terms, as shall subsequent uses.

The currency conversion rate used by MasterCard International on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date.
