Emery's 14th Annual Golf Outing and beginning a new relationship with Cincinnati Children's Hospital

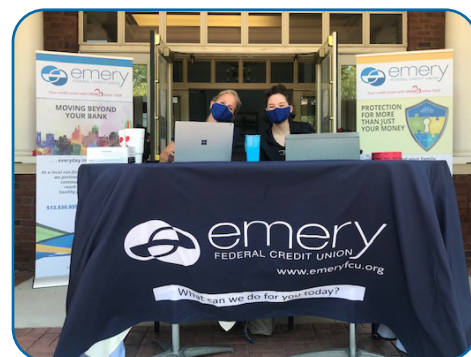

On August 24, Emery hosted its 14th Annual Golf Outing at the Heritage Club in Mason, Ohio.

Over the past 13 years, Emery is proud to have donated over \$140,000 to Shriners Hospitals for Children — Cincinnati. Last year, Cincinnati said goodbye to Shriners Hospital when they consolidated their operation in Dayton. This year, we are proud to announce Emery's new partnership with Cincinnati Children's Hospital.

Cincinnati Children's has a strong presence in our community and holds a special place in the hearts of our own staff, many of whom were either treated or had a family member treated in their hospital. We are so excited to start this new partnership with their foundation. Cincinnati Children's Hospital is dedicated to giving to foundations that will improve the lives of children. Their investments in research and medical advancements will help bring hope to children and their families.

The golf outing was a bit different this year due to social distancing requirements, but all participants enjoyed a sunny day full of golf and fun. We would like to thank our corporate and individual sponsors, players and all who participated. Your help and donations made this year a success, and we couldn't do this each year without you!
